

BLUE CAN

Answer the Call. Carry the Message. 

The Blue Can provides A.A.-approved literature to **INDIGENT PEOPLE** in treatment facilities.

**THIS IS FOR THE INDIVIDUAL,
NOT FOR THE FACILITY.**

Our purpose is to help the alcoholic who cannot afford literature of their own—not to supply or support the facility.

WHY WE DO IT

An alcoholic in treatment may be reaching out for help for the very first time. Having A.A. literature can bring hope, understanding, and a connection to a fellowship that works.

Our job is to answer the call.

STAY TRUE TO OUR TRADITIONS

- **Self-support:** We carry the message with our own contributions.
- **Non-affiliation:** We are not affiliated with any outside enterprises.

We don't count on them to supply—we step up.

WHAT WE PROVIDE

A.A.-approved books and literature to help an individual find the A.A. program—one day at a time.

You never know whose life it may touch.

**BLUE CANS ARE AVAILABLE
IN THE OFFICE FOR PICKUP
FOR ANY GROUP THAT WANTS ONE.**
